Dear Resident

We hope by now that you have heard of the Kelbrook and Sough Parish Neighbourhood Plan. This plan is being prepared by residents working with your parish councillors. We want everybody to have their say.

A key element of the neighbourhood planning is that the community must be engaged in the Plan throughout the process. The Steering Group managing this process has taken into account your initial thoughts and, as a next stage in the process, have compiled them into this survey that is now being circulated to every household in the Parish.

This is a Parish wide opportunity for you to contribute to the Kelbrook and Sough Parish Neighbourhood Plan. It is essential to hear YOUR views on what the Plan should say.

The overarching question to keep in mind is:

“what kind of Parish do I want Kelbrook and Sough to be, now and in the future?”

The Neighbourhood Plan will look to answer the key elements however, it must be realistic. There will inevitably be financial constraints and planning regulations to take into account. We see this as an opportunity to influence, to a degree, the way the Parish might develop and to tackle some of the more negative pressures that threaten small villages around the country.

The survey is lengthy to ensure we cover all aspects of our future and we know that you are all very busy. It is important so please take the time to complete it. If you do not have time to complete the whole survey, we will accept part completed surveys. We have also provided boxes for comments in case the question is not sufficient for your answer.

We are supplying one survey per household, however, you can complete the survey online at <https://survey.sogosurvey.com/r/cWuic3>. If there is more than one person in your household who wishes to complete the survey, they may do so online or by downloading additional copies from the website, <http://www.kelbrookandsoughparishcouncil.uk/neighbourhood-plan>. There is more information about the Neighbourhood Plan process on this website.

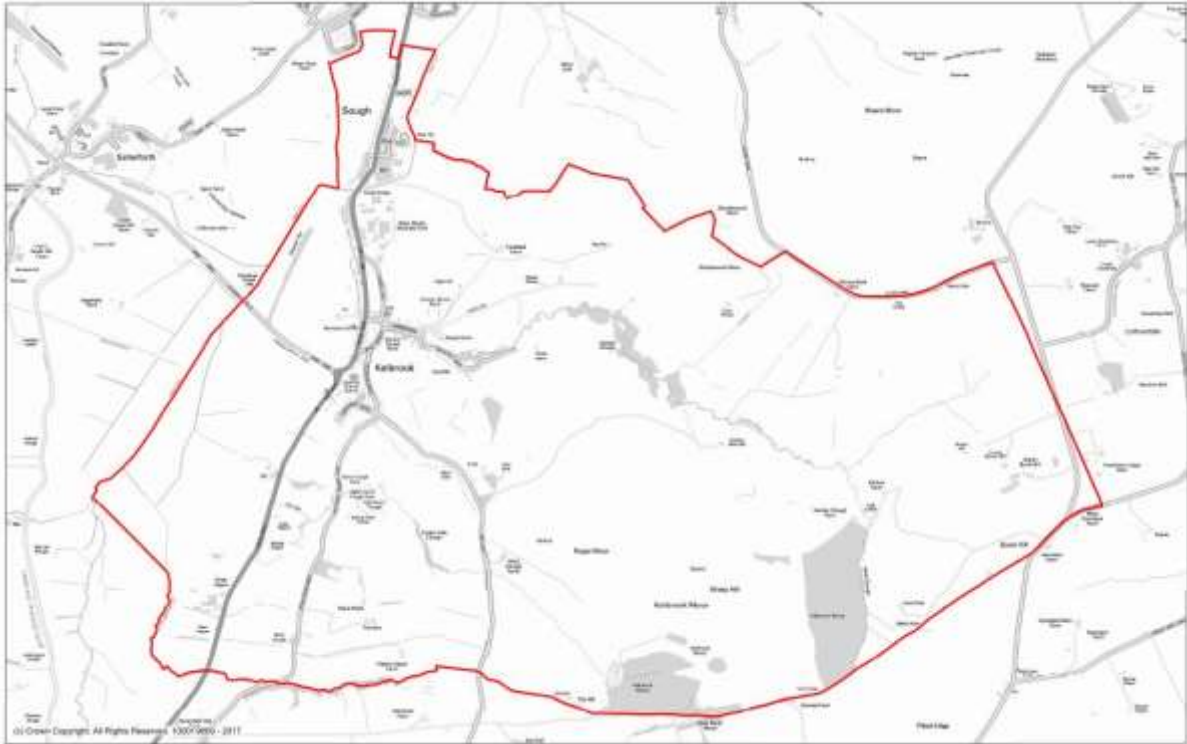

Thank you for completing this survey. You can add your name and address at the end of the survey if you would like to be entered for a prize.

If you need help in completing the survey or you need someone to collect it, please contact Debbie Richardson on 01282 843004.

Once complete, please return it to one of the drop boxes or contact Debbie to find your nearest Steering Group representative. We will do the rest

Chairman of the Kelbrook and Sough Neighbourhood Plan Steering Committee
